'All Things Bright and Beautiful'

Adur Festival – 5th June to 20th June 2010

'TWO WEEKS IN JUNE' PHOTOGRAPHIC COMPETITION

Come and join us as we celebrate the United Nations International Year of Biodiversity 2010 by exploring our wonderful ancient churchyard in Shoreham.

'Biodiversity' is the word used to describe the huge variety of life in the whole of the natural world around us: not just in wild places and nature reserves but also in the parks and gardens of our towns and cities.

Humans are part of this biodiversity too and we have the power to protect or destroy it. During this special year, we are looking at the important part we can all play in safeguarding the natural wealth around us and focusing on the urgent challenge to preserve it for the future.

Two Weeks in June is the name of a photographic competition which will run throughout the Adur Festival. Bring your camera into the churchyard and help us to create a record of the wildlife large and small which you see during the two weeks.

You can photograph anything from huge trees to tiny ants; in fact any of the birds, animals, insects, plants and trees in the churchyard.

All photos (***6x4 inch only please***) will be displayed inside the church.

Please put your photograph(s) in an envelope with the **subject** of your picture and your **name** clearly written (in pencil) on the back of the photo. Add a **contact** phone number or email address and the **time and date** when you took your photo – ***only between Saturday June 5th and Saturday June 19th please*** – also the **class** you wish to enter (see below).

The entries will be judged at the end of the Adur Festival and a prize of £5 will be awarded in each of three categories:

1. Children (11 and under)
2. Young photographers (12 to 18 years)
3. Adults

Please enclose 50p for each photo that you enter and deliver it to the Vicarage (see below for address) or post it if that is easier.
