

*Music at St Mary de Haura* is based at the Parish Church of St Mary de Haura, New Shoreham, Sussex.

### **Our aims and objectives are:**

'To promote, improve, develop and maintain public education and appreciation of the art and science of music in all its aspects by the presentation of public concerts and recitals.'

We do this by promoting and holding concerts in St Mary's, giving opportunities for local performers as much as possible, and supporting choral services in St Mary's.

A wide variety of instrumental and vocal music is performed, and admission is free to many concerts.

The acoustics in the church are ideal for music-making, and it provides a perfect setting for concerts large and small. The church has a fine 3-manual Norman & Beard organ of 1894 (restored in 1994 by Patrick Christian), and a Bechstein grand piano.
